

## Accessibility at the Kunsthaus Dahlem

### **Outdoor area / garden**

- Low-barrier path with planed paving stones and passable, water-bound, covered paths in the outdoor area

### **Museum building**

- The building is accessible via a short ramp through an entrance without steps.
- The museum café is accessible.
- There is an accessible toilet.
- There are no collapsible wheelchairs or buggies for toddlers available.
- Assistance dogs are permitted in all areas.

### **Exhibits**

- The exhibition spaces are suitable for wheelchair use.
- A gallery in the exhibition space can only be accessed with stairs.
- The Kunsthaus Dahlem is not equipped with a floor guidance system or a tactile floor plan.
- Texts in easy language (German) are available as a flyer for each exhibition.
- Basic information about the Kunsthaus Dahlem (history of the building, mission statement, how to find us) are available in easy language (German) at the website.

### **Events / education offerings**

- Touch tours for the blind, the vision-impaired and sighted children and adults or inclusive tours with various sensory approaches to the exhibitions are offered regularly.
- Please inform yourself about our current offering at the website.

Please direct any questions and feedback concerning our accessible and inclusive offerings or the accessibility of the building to Anne Fäser (Curator for Outreach) at [outreach@kunsthaus-dahlem.de](mailto:outreach@kunsthaus-dahlem.de). All of our staff are happy to help on site.
